

Welcome to My Dawonia

Instruction guideline

- 1 Download „My Dawonia“**
Open Google Play Store or the Apple App Store and download the mobile app by selecting the App My Dawonia (you must be using your mobile phone in order to install the application) and install the App.

- 2 Register**
After you have installed and opened the app on you mobile phone, click the ‚sign up‘ button to register.
Enter your e-mail address and accept the terms of use and privacy policy before you confirm your registration.
You will be provided with a confirmation e-mail and the attached activation link where you can enter a password.
Please agree to the data transfer so that we can exchange information about your rental agreement with you.

- 3 Your personal activation code** (rental agreement number/code)
The activation code consists of the **combination** of your **rental agreement number (a)** **and** the **code (b)**.

The **rental agreement number (a)** is the identifying reference number which you find on your rental agreement or other documents from us.

The **code (b)** was provided to you with our information letter (page 1) from January 14, 2019.
